

## FIT

You this morning with a FALL SUIT? We'll do so in a few minutes and do it PROPERLY too. As much style and as good quality as at the best custom shops, but for about one-third less money and without the vexatious delay of waiting for the garments to be finished.

Prices are—Suits \$10 to \$40, Fall Overcoats \$10 to \$35, and the best assortment in town to select from.

If you are at all interested (and every man is), in artistic footwear, see the new styles just received in OUR Shoe Department. We can give the best of Cobblers pointers on Shoes. Suppose you let us supply your next pair. The more particular you are the more you'll appreciate getting shod HERE.

### APPROACH OF THE BLANKET SEASON

Not here yet, but coming—feels like it, too, at night. We'll anticipate the season and offer you royally good BLANKETS at prices you might expect to pay for poor ones.

One lot double and large also—the kind you have always had to pay for—our early-in-the-season price is

58c

Another lot of finer blankets—manufactured to sell at \$1.75—no less—and well worth that price. These we put on sale to-morrow at a very interesting price.

You can always get your money back—

### We're after the School Trade--

and we are going to make a great effort to secure a large portion of it. Our shoes are of the right kind to suit both the parents and children, and in order that the price may be more than right we have decided to make a discount of 10 per cent on all Misses' and Children's School Shoes. You can't go wrong in tripping the children here—children like our shoes—they look well, wear well and the price suits the parents' pocketbooks. We have shoes for all school occasions, from the roughest kind for hard wear to the slipper for housewearing, and the dainty shoes for the dancing class. This 10 per cent discount goes into effect Monday morning and will continue until school opens. When you are fitting the children out we want you to remember us—particularly where there are a number of children, for 10 per cent then means a saving of considerable money.

**Prides of Children's and Misses' School Shoes.**  
These range from \$1.25 up to \$3, but all of them are now subject to the 10 per cent discount.

### The Jenness Miller Shoe.

Of course, you know we own this shoe, which is approved and made from the model invented by this famous woman dress reformer. There are numerous imitations, some in Washington. None are genuine unless they bear the name "Jenness Miller" on the sole and in the lining. Be especially careful about this. We make them in wide, common-sense and house boot styles—\$5 the pair.

### WILL REST IN GLENWOOD.

**Prof. C. V. Riley Will Be Buried From His Late Residence To-morrow.**

The funeral of Prof. C. V. Riley, who was killed Saturday morning by falling from his bicycle, will take place to-morrow afternoon at 2 o'clock from No. 2135 Wyoming avenue, Washington Heights.

As many of the friends of Prof. Riley are absent from the city the complete arrangements for the funeral will not be made until to-night, when friends who have been communicated with will be heard from.

There was a list of pallbearers prepared, but it had to be changed in consequence of several of those named being unable to serve.

There will be twelve pallbearers, six honorary and six active. The interment will be made at Glenwood Cemetery in the family lot, and probably Dr. Alexander Kent, of the People's Church, will officiate.

### HIS SECOND OFFENSE.

**Druggist Kelly Held for Selling Liquor Contrary to Law.**

H. H. Kelly, a druggist on M street northwest, was arrested yesterday by Officer Jack, of the Third precinct, for selling liquor without a license. This is Mr. Kelly's second offense, and he was held in \$1,000 bond to appear before the grand jury on the 19th instant.

### CREDITORS MADE HAPPY.

**Dividends Declared on Two Insolvent National Banks.**

The Comptroller of the Currency has declared dividends in favor of the creditors of insolvent national banks as follows: A second dividend, 20 per cent, in favor of the creditors of the Commercial National Bank, of Denver, Col., making in all 35 per cent on claims proved, amounting to \$419,175.02. A sixth dividend, 10 per cent, in favor of the creditors of the Albuquerque National Bank, of Albuquerque, N. M., making in all 75 per cent on claims proved, amounting to \$253,409.91.

### SHE WANTS ALIMONY.

**Printer Long's Wife Declares He Beat and Deserted Her.**

Sallie Eugenia Long has brought suit against Frank Hall Long, a printer, for permanent alimony.

The two were married December 31, 1892, by Rev. James H. L. Lemon, at the parsonage of Faith Chapel. The wife said they lived together at No. 612 L street southwest, until August 18, 1895, when the husband came home in an intoxicated condition and cruelly abused her. He then went away, Mrs. Long said, and took all her money with him and has not lived with her since.

The wonderful growth of our Furniture and Housefurnishings business, conducted almost entirely on our new Credit Method—the fairest in the world—has emboldened us to add two new Departments—fully equipped—which will be conducted on those same liberal lines that have already proved so popular with the public. To accommodate these departments we needed more room—new showrooms—and now our buildings run through to D street, giving us ample space. Here we show a very complete line of Ladies' Cloaks and Men's Fine Clothing at lowest cash prices. The new Departments are in charge of competent salesmen, and everything will be furnished on Credit.
